Deena Buchanan is Board Certified in Truck Accident Law by the National Board of Trial Advocacy and is known nationwide for her representation of plaintiffs in trucking, wrongful death, and employment discrimination cases. After years of defending Fortune 500 companies in high-stakes trucking and medical malpractice cases, she switched gears in 2019 to champion victims of corporate negligence by founding her own firm.

A passionate advocate and industry leader, Deena serves on the Board of Regents for the Academy of Truck Accident Attorneys (ATAA) and co-chairs its 2024-2025 Education Committee. She's also very involved with the American Association for Justice (AAJ), serving on the Executive Board of the AAJ Trucking Litigation Group, co-chairing the TLG Education Committee for 2024-2025, and actively participating in the Diversity, Equity, and Inclusion Committee of the AAJ Traumatic Brain Injury Litigation Group.

When she's not working hard to maximize case outcomes, you'll likely find Deena hitting the slopes, exploring underwater worlds scuba diving, or capturing peaceful landscapes through her camera lens. She lives her adventures with her husband Robert and her two children.
